Who We Are

Pinnacle Advisors is a boutique advisory and accounting firm based in Mumbai & Melbourne, helping businesses navigate the Australian jurisdiction with ease. We provide comprehensive hand-holding for global businesses across the business lifecycle, including initial due diligence, incorporation, accounting, payroll, bookkeeping, and taxation, complemented by strategic advisory services tailored to each business's unique needs.

For Small Business Owners

Clarity on structure, tax obligations, and a practical path forward, leaving no question unanswered.

For Boutique CA Firms

Skilled offshore support, bookkeeping, payroll, BAS, delivered to your standard. On time. Every time.

For India-Australia Businesses

Tax treaties, cross-border structures, compliance in both countries — with genuine lived experience of both worlds.

We believe in impact over volume. Partnership over process. Clarity over complexity.

Why Choose Pinnacle Advisors

Structured support at every stage of your business journey.

ATO-Compliant Framework

Every engagement aligns with Australian Taxation Office (ATO) obligations, TPB standards, and Australian public practice frameworks, technically sound and defensible.

True Partnership Model

No lock-in contracts. No generic packages. No fee surprises. A relationship that earns itself every single time.

India-Australia Expertise

Genuine depth in both markets exploring free trade agreements and Double taxation avoidance agreements between India -Australia, cross-border structures, and compliance in both directions.

Tech-Enabled Precision

Fluent across Xero, MYOB, QuickBooks, Sage, Wave, Reckon, Zoho Books and FYI, used as systems, not just tools.

CA ANZ Qualified

All work delivered by a Chartered Accountants of Australia and New Zealand with a Registered BAS Agent credential.

Strategy, Not Just Compliance

Beyond lodgements, Pinnacle identifies opportunities inside the tax system and translates compliance into strategic advantage.

Our Services

Compliance done correctly. Strategy applied deliberately.

For Accounting Firms

Skilled offshore support - bookkeeping, payroll, BAS and tax workpapers delivered to your standard.

Accurate Bookkeeping

Reconciled, reviewed, and ready every month. Books that reflect your business, handled by a CA ANZ professional.

Payroll Management

STP lodgement, superannuation, award compliance and PAYG - your people paid right, every cycle.

GST & BAS Compliance

Every BAS prepared by a Registered BAS Agent. Every lodgement reconciled. Every deadline met.

Strategic Business Advisory

Structure, succession, performance and transactions, strategic advice that prevents problems compliance alone cannot fix.

India-Australia Support

Two markets, one adviser. Strategic, structural and compliance advisory in both directions: with ECTA and DTAA depth.

Double Taxation (DTAA)

Two jurisdictions, one advisor who understands both. Clear guidance on residency and DTAA application across borders.

Your Partner in Strategic Growth

If you're looking for clear financial guidance, structured compliance, and advisory support aligned with Australian regulatory standards, Pinnacle Advisors is ready to help.
